How to Change IP OF CISCO 7942g phone | IP Address | Cisco | Network Configuration

### How to Change IP OF CISCO 7942g phone | IP Address | Cisco ...

1. I can manually place a call from the phone, once I go offhook and/or switch to headset mode on the phone, the GN9350 automatically switches on the channel to the earpiece and audio works great. 2. I can disconnect this same call using the call control switch on the GN headset, causing the phone to go back onhook as expected. 3.
