Descartes Dream

The World According

They are external to his senses, and

according to Descartes, this is evidence of the

existence of something outside of his mind,

and thus, an external world. Descartes goes

on to show that the things in the external

world are material by arguing that God would

not deceive him as to the ideas that are

being transmitted, and

doctrine that holds that the mind is born with ideas/knowledge, and that therefore the mind is not a "blank slate" at birth. This is in contrast to, and was contested by, early empiricists such as John Locke. Innatism asserts that not all knowledge is gained from experience and the senses. Plato and Descartes were prominent philosophers in the...
