Summary. An Introduction to Theories of Popular Culture is the essential guide to the major theories of popular culture. Dominic Strinati examines the ways in which these theories have tried to understand and evaluate popular culture in modern societies. Among the theories and ideas the book introduces are mass culture, the Frankfurt School and the culture industry, semiology and structuralism, Marxism, feminism, post modernism and cultural populism.

### An introduction to theories of popular culture in ...

First, popular culture is widely accessible. As Smith herself implores us to do, we must locate theory where we are in the world, instead of solely where we want to be. And rather than recreate the social world anew, we – the sociologists – must also locate students where they are.

THEORIES OF CULTURE REVISITED Roger M. Keesing If radical alterity did not exist, it would be anthropology's project to invent it. I believe that the radical alterity we have sought has not existed for many millenia. The tribal world in which we have situated that alterity - the world of Uvi- Strauss's 'cold societies' - was our anthropological invention.
