## **All features | inFlow Inventory**

inFlow Inventory is one of the most affordable inventory solutions on the market. In addition to offering a free local software option (inFlow On-Premise), inFlow offers cloud-based software that starts at just \$71 per month. However, even on inFlow's most advanced plan, users are still limited to fewer than 5,000 orders per month, so we don't recommend using inFlow if you're running an ...
