Moving is all about change – an actual move from one place to another, together with your family, pets and plants, and of course all the personal possessions and household items that you have assessed as worth taking with you to your new residence.

How Does Moving Change Your Life?

The only person who is going to change your life is you! To create that change, you have to like yourself. There will be times in your life where you will face rejection, and there will be people who will not like you or your choices. Accepting who you are and loving yourself despite adversity helps you to move forward in your life.

10 Things You Can Do Now to Change Your Life Forever

Fred Tougas “Give it a month; things will change. Give it a year, you will,” I tweeted wisely, like a well-journeyed wizard, in November of 2010 after seeing the ghost of a bad break-up at a party and realizing with grand internal celebration that I didn’t need to run to the nearest small space with a door to cry at the sight of them.

Forward

The truth is, no one wins a game of chess by only moving forward; sometimes you have to move backward to put yourself in a position to win. And this is a perfect metaphor for life. Sometimes when it feels like you're running into one dead end after another, it's actually a sign that you're not on the right path.
