North America From Earliest Discovery

It seems the discovery
of America by
Europeans was
inevitable, although
their maps erred for
quite some time in
depicting the coast.

Since the discovery of the New World, various authors have tried to link the Brendan legend with an early discovery of America. In 1977, the voyage was successfully recreated by Tim Severin using a replica of an ancient Irish currach. According to a British myth, Madoc was a prince from Wales who explored the Americas as early as 1170. While ...
