In the exchange, the customer (i.e. the donor) is looking for something of value, expects service, and is interested in how the exchange benefits them. Thus, if we accept that donors are customers, the following three principles are the best practices that directly influence fundraising success. 1. Offer a Valuable Product

### The 3 Principles of Fundraising Success: Donor Acquisition ...

70% of the donors yield 20% of the money. In other words, most organizations rely on a handful of major donors to generate the majority of their unrestricted income. Using this principle, you can set your goal and then calculate how many donations at each level you'll need to meet that goal. For example, for a \$50,000 annual campaign:

But before you create your survey, let's take a look at the five-and-a-half principles that will ensure you solicit accurate, authentic feedback that doesn't also annoy the heck out of your donors. And while this article is specifically about donor surveys, many of the lessons here apply to all surveys. 1. Purposeful

### The 5 ½ Principles of Effective Donor Surveys | npENGAGE

The Pareto principle (also known as the 80/20 rule, the law of the vital few, or the principle of factor sparsity) states that, for many events, roughly 80% of the effects come from 20% of the causes.. Management consultant Joseph M. Juran suggested the principle and named it after Italian economist Vilfredo Pareto, who noted the 80/20 connection while at the University of Lausanne in 1896.

### Pareto principle - Wikipedia

The Director of Fundraising and Partnerships (DFP) is responsible for leading the organization's individual, corporate, and foundation fundraising programs. Working closely with the Executive Director, Fundraising Committee and Inside Out staff, the DFP develops, initiates and evaluates annual fundraising initiatives in alignment with the organization's annual and long-term strategic goals ...
