Rocking the Boat empowers young people from the South Bronx to develop the self-confidence to set ambitious goals and gain the skills necessary to achieve them. Students work together to build wooden boats, learn to row and sail, and restore local urban waterways, revitalizing their community while creating better lives for themselves.

Rocking the Boat, Inc. - GuideStar Profile

Rocking the Boat is a book about how we manage the balance between the identity and culture we bring to a workplace and the actual culture of the workplace. It is for those who wish to change workplace cultures that may be insensitive or unconsciously discriminatory toward the culture and beliefs of others.

Rocking the Boat-Review - STEM context

This week's is on rocking the boat, and is a reprint from 2007. We're a week past Christmas now and as we take down those lights and dismantle the tree so we can sit in the living room again many of us are breathing a sigh of relief. We made it through a family dinner without any fights! Hallelujah and pass down that Christmas angel.
