Risk Angles Five questions on strategic risk

Social risk management is a conceptual framework developed by the World Bank, specifically its Social Protection and Labor Sector under the leadership of Robert Holzmann, since the end 1990s. The objective of SRM is to extend the traditional framework of social protection to include prevention, mitigation, and coping strategies to protect basic livelihoods and promote risk taking. SRM focuses specifically on the poor, who are the most vulnerable to risk and more likely to suffer in the face of e
