Understanding China The Silk Road

The first half provides an overview of the ancient silk road and the interactions (over the course of 2,000 years) between China, Central Asia, Southeast Asia and Europe. This fascinating history is connected with current developments: the re-birth of China as a major power; the Belt and Road project; and the disputes in the South China Sea.

Op/Ed by Chris Devonshire-Ellis. China's spend along the Belt & Road Initiative is evolving, and decreasing somewhat in size. While some analysts point to a decrease in the total capital amounts being spent as proof that China is running out of money, or that the Belt & Road Initiative is running out of steam, the reality is that the few years of committing vast sums of capital to build ...
